Adjustments

Standard Class: Acctg Adjustments

Unit that primarily holds accounting adjustments for financial statements

We have determined the top jobcodes by how often the jobcode appears and the composition of paid hours in this type of departments

Top Jobcode:

Registered Nurses

Second Top Jobcode:

Medical and Health Services Managers

Third Top Jobcode:

Physicians and Surgeons, All Other

We have determined the top expense accounts based on the total value in the accounts and the number of times the expense account appears in these type of departments

Highest Expense Account:

E_OtherExp

Second Highest Expense Account:

E_Salaries

Third Highest Expense Account:

E_PurchSvcs

We have determined the top key statistic accounts based on how often it appears in these type of departments

Top most common stat account:

S_PatDays_Adult

Second most common stat account:

S_RVUs

Third most common stat account:

S_Visits

Deductions

Standard Class: Acctg Deductions

Unit that primarily holds accounting deductions for financial statements

We have determined the top jobcodes by how often the jobcode appears and the composition of paid hours in this type of departments

Top Jobcode:

Physicians and Surgeons, All Other

Second Top Jobcode:

Medical Assistants

Third Top Jobcode:

Registered Nurses

We have determined the top expense accounts based on the total value in the accounts and the number of times the expense account appears in these type of departments

Highest Expense Account:

E_OtherExp

Second Highest Expense Account:
