

PPE Overview

PPE Reporting: Process Overview

Workflow Creation

Workflow Examples

User Dashboard and Workflow Review Process

PPE Dashboard – Unique to Users

The PPE Dashboard is unique to the user logged in.

Administrators

- Pending Reviews (user specific)
- Completed Reviews (user specific)
- In-Progress Workflows
- Completed Workflows

Report Reviewers

- Pending Reviews (user specific)
- Completed Reviews (user specific)

Workflow in Practice – Initiation

Administrator initiates distribution:

- Manual initiation
- Scheduled initiation

Report generation is queued in the system

Completion of report generation initiates workflow review process

Each reviewer is notified via email that report(s) are ready
(in hierarchical order)

Reviewer is directed to the Peak review interface

Qualifications, Assumptions and Limiting Conditions (v.12.08.06):

This Report is not intended for general circulation or publication, nor is it to be used, reproduced, quoted or distributed for any purpose other than those that may be set forth herein without the prior written consent of Syntellis Performance Solutions, LLC.

All information, analysis and conclusions contained in this Report are provided “as-is/where-is” and “with all faults and defects”. Information furnished by others, upon which all or portions of this report are based, is believed to be reliable but has not been verified by Syntellis Performance Solutions, LLC. No warranty is given as to the accuracy of such information. Public information and industry and statistical data, including without limitation, data are from sources Syntellis Performance Solutions, LLC deems to be reliable; however, neither Syntellis Performance Solutions, LLC nor any third party sourced make any representation or warranty to you, whether express or implied, or arising by trade usage, course of dealing, or otherwise. This disclaimer includes, without limitation, any implied warranties of merchantability or fitness for a particular purpose (whether in respect of the data or the accuracy, timeliness or completeness of any information or conclusions contained in or obtained from, through, or in connection with this report), any warranties of non-infringement or any implied indemnities.

The findings contained in this report may contain predictions based on current data and historical trends. Any such predictions are subject to inherent risks and uncertainties. In particular, actual results could be impacted by future events which cannot be predicted or controlled, including, without limitation, changes in business strategies, the development of future products and services, changes in market and industry conditions, the outcome of contingencies, changes in management, changes in law or regulations. Syntellis Performance Solutions, LLC accepts no responsibility for actual results or future events.

The opinions expressed in this report are valid only for the purpose stated herein and as of the date of this report.

All decisions in connection with the implementation or use of advice or recommendations contained in this report are the sole responsibility of the client.

In no event will Syntellis Performance Solutions, LLC or any third party sourced by Syntellis Performance Solutions, LLC be liable to you for damages of any type arising out of the delivery or use of this Report or any of the data contained herein, whether known or unknown, foreseeable or unforeseeable.
